Monthly Energy Rates Formulas:

Photo Controlled = Fixture Input Wattage (including ballast) ÷ 1000 x 360^{hours}/month x **4.18 ¢/kWh**

Continuous Burn = Fixture Input Wattage (including ballast) ÷ 1000 x 720^{hours}/month x **4.78 ¢/kWh**

Section B - Explanatory Notes:

- (1) The number and location of service points shall be as specified by the Company.
- (2) The Company may not be required to expend more than five (5) times the estimated annual base revenue to be derived from Section A. In any case where the Company does expend more than five (5) times the estimated annual base revenue to be derived from Section A, the Company may collect a Contribution In Aid of Construction (CIAC) charge for the amount in excess of five (5) times the estimated annual base revenue.
- (3) The Company may, at its option, verify kWh by installing a kWh meter or a device to limit connected load.
- (4) The Customer may receive energy service for Company-owned luminaires with wattages not specified explicitly in this tariff using the above listed formulas. The Monthly Rates table in Section A are calculated using the formulas above.

ENVIRONMENTAL COMPLIANCE COST RECOVERY:

The amount calculated at the above rate will be increased under the provisions of the Company's effective Environmental Compliance Cost Recovery Schedule, including any applicable adjustments.

FUEL COST RECOVERY:

The amount calculated at the above rate will be increased under the provisions of the Company's effective Fuel Cost Recovery Schedule, including any applicable adjustments.

FRANCHISE FEE:

The bill calculated under this tariff will be increased under the provisions of the Company's Franchise Fee Schedule, including any applicable adjustments.

TERM OF CONTRACT:

The period for which the customer must pay the charges specified in this tariff shall be a minimum of two (2) years, and thereafter until terminated by either party on six (6) months written notice, but the Company may require a period up to five (5) years, and may require an advance payment up to one-half of the estimated annual revenue for that period.

GENERAL TERMS & CONDITIONS:

The bill calculated under this tariff is subject to change in such an amount as may be approved and/or amended by the Georgia Public Service Commission under the provisions of applicable riders and other schedules.

Service hereunder subject to Rules and Regulations for Electric Service on file with the Georgia Public Service Commission.
