The Off-Peak period is defined as the hours between 7:00 a.m. and ending at 11:00 p.m. for weekends, holidays, and the calendar months of October through May. The Off-Peak period for the calendar months of June through September (Summer Months) is defined as the hours between 7:00 a.m. and 2:00 p.m. and the hours between 7:00 p.m. and 11:00 p.m. Monday through Friday.

SUPER OFF-PEAK:

The Super Off-Peak period is defined as the hours between 11:00 p.m. and 7:00 a.m. Monday through Sunday for all calendar months.

EXPLANATORY NOTES:

- (1) The number and location of service points shall be as specified by the Company.
- (2) For purposes of this pilot, all lighting services leased by a single governmental entity may be considered a single premise.
- (3) Smart Lighting Control devices are defined for purposes of this pilot as the entire set of networked Components (hardware and embedded software) installed in the field that function together to adaptively control and remotely monitor luminaires, and may include such functions as scheduling, metering, dimming, and diagnostics.

TERM OF CONTRACT:

The contract term is one year. The customer is required to remain on the TOU-EOL tariff for a period of twelve months from the contract date. The contract will be automatically renewed on the anniversary date of the contract for an additional year, unless terminated with 30 days' notice to the Company prior to the anniversary date. The customer may change tariffs at any time after the initial twelve (12) month term expires with a 30-day written notice to the Company.

GENERAL TERMS & CONDITIONS:

The bill calculated under this tariff is subject to change in such an amount as may be approved and/or amended by the Georgia Public Service Commission under the provisions of applicable riders and other schedules.

Service hereunder is subject to the Rules and Regulations for Electric Service on file with the Georgia Public Service Commission.
