Georgia Power Company  
c/o Mr. Robert W. Mitchell, Environmental Affairs Manager  
241 Ralph McGill Boulevard  
Atlanta, GA 30308

Subject: Fourth VRP Progress Report, dated October 1, 2020  
Savannah Electric – Plant Kraft, HSI #10415  
155 Crossgate Road, Port Wentworth, Chatham County, Georgia

Dear Mr. Mitchell:

The Georgia Environmental Protection Division (EPD) has reviewed the Fourth VRP Progress Report (PR 4) submitted by Resolute Environmental & Water Resources Consulting, LLC (Resolute) on behalf of Georgia Power Company for the referenced site. Based on PR 4, EPD understands that Environmental Covenants (ECs) for the subject properties are currently being finalized. If the ECs are not submitted by April 2, 2021, please provide another semi-annual status update.

If you have any questions, please contact the undersigned at (404) 463-0530 or via email at [michael.smilley@dnr.ga.gov](mailto:michael.smilley@dnr.ga.gov).

Sincerely,

Michael Smilley  
Project Officer  
Voluntary Remediation Unit
