

A more energy efficient home, at no cost.

You don't have to choose between comfort and saving energy. Through the Energy Assistance for Savings & Efficiency (EASE) program, income-eligible Georgia Power customers can apply for **free, energy-efficiency home improvements**. From improved attic insulation to smart thermostats that can help manage your home's temperature, energy efficiency improvements can help you save energy and money.

Program Eligibility

- You must be a Georgia Power residential customer.
- Your household income must be 200% or less of the 2023 US Federal Poverty Guidelines. This calculation been completed for you in the chart below. Your total household income must be equal to or below the numbers in the chart in order to qualify for program participation.

Household Size	1	2	3	4	5	6	7	8
Annual Income	\$29,160	\$39,440	\$49,720	\$60,000	\$70,280	\$80,560	\$90,840	\$101,120
Monthly Income	\$2,430	\$3,287	\$4,143	\$5,000	\$5,857	\$6,713	\$7,570	\$8,427

Add \$10,280 for each additional person per year to the annual income of \$101,120 to calculate the annual income maximum for household sizes over 8.

Energy Efficiency Home Improvements

Depending on your home assessment, you could qualify for the following energy-saving improvements and more:

-  Improved attic insulation
-  Air sealing of gaps, cracks & leaks
-  Sealing of heating & air conditioning delivery ducts
-  LED light bulbs
-  Smart, Wi-Fi thermostats
-  Heating & air system service
-  Installation of electric water heater blankets

How it Works

- Step 1:** Review program eligibility requirements.
- Step 2:** Apply online or call us for assistance.
- Step 3:** If approved for the program, a Georgia Power Energy Efficiency Assessor will conduct an in-home assessment.
- Step 4:** A designated program contractor will make qualified energy-efficiency improvements to your home, at no cost to you.
